Give me that old-time religion  
Give me that old-time religion  
Give me that old-time religion  
It's good enough for me

It was good for our mothers  
It was good for our mothers  
It was good for our mothers  
And it's good enough for me

It has served our fathers  
It has served our fathers  
It has served our fathers  
And it's good enough for me

Makes me love everybody  
Makes me love everybody  
Makes me love everybody  
And it's good enough for me

It will take us all to heaven  
It will take us all to heaven  
It will take us all to heaven  
And it's good enough for me
