Oh, well, I'm tired and so weary but I must go alone
Till the Lord comes and calls me, calls me away, oh yes
Well the morning's so bright and the lamp is alight
And the night is black as the sea, oh yes

There will be peace in the valley for me someday
There will be peace in the valley for me, oh Lord, I pray
There'll be no sadness, no sorrow, no trouble I see
There will be peace in the valley for me, oh yes

Listen, the bear will be gentle and the wolf will be tamed
And the lion shall lay down by the Lamb, oh yes
And the beast from the wild shall be led by a child
And I'll be changed, changed from this creature I am, I am

There will be peace in the valley for me someday
There will be peace in the valley for me, oh Lord, I pray
There'll be no sadness, no sorrow, no trouble I see
'Cause there will be peace in the valley for me, one more time
There will be peace in the valley for me
