We are the voice  
that comes through the ages  
to remember  
not to surrender  
Turn your eyes  
turn your eyes  
we're coming  
with this Rumble Beat  
Warrios of the street  
within the walls of the ghetto  
tight in one first  
we hold out' cause time is coming  
The chains of the oppressor  
are too weak  
for our arms they've scourged our lands  
but the prisons are full of pride  
Rumble Beat  
that makes us go on  
Partisans of new age  
if we fall down on our kness  
it will be to take aim  
we can do it in the days of the clear decision  
The lament  
has become  
a war cry  
ready to march again  
with this Rumble Beat  
that makes us go on  
How many dawns  
shall we see through the bars?  
children of Revolution  
let's open the gates of strength  
Unite 'n' Organize  
at front line  
from over the INTERNATIONAL BARRICADE  
we call everybody  
with this Rumble Beat  
that makes us go on
