Don't leave once you sat me down
Trying to figure out how to get in my head
Stop giving me those tales of wonderment
I'm back in my self instead

I want to leave, want to get my body out
I won't ever be caught behind
She said "I won't live this down,
I'm proud, well I'm still living"
Look out for your self
Look out for your self

Don't leave once you sat me down
Trying to figure out what to do in my head
From the pain that I felt from the way that you walked
out
I'm backing my health instead

I want to leave, want to get my body out
I won't settle for down and out
She said "I won't live this down,
I'm proud, cause I'm still living"
Look out for your self
Look out for your self
Look out for your self

Caroline, tell me why
You left the fight
Without a reason
Well I can't describe
How was I supposed to feel

Look out for your self
Look out for your self
Look out for your self

Caroline, tell me why
You left the fight
Without a reason
Well I can't describe
How was I supposed to heal
