[Chorus: Big Moe]

It's the southside of H Town-Home of S-U-C  
y'all boys were not, for H.A.W.K. and M-O-E  
just the two of us together-for Screw and P-A-T  
and we just wanna thank y'all for all the memories

[H.A.W.K.]

It's so hard to say goodbye, to yesterday  
Screw, Pat, and K...and D-E-A  
I've got so much to say, but there's so little time  
for y'all I grind, and also for y'all I shine  
one of a kind that best describes DJ Screw  
and all my shine I owe it all to you  
you opened so many doors, with those freestyle flows  
and shows and videos, got Big Moe exposed  
this thank you goes to you and Fat Pat  
and I'm sure the whole click would agree with that  
from E.S.G, the Mike D, the Lil'Keke  
Big Pokey and C Note from Botany  
M-O-E, Grace, Ro, ya boy Al D...the original members of  
the S.U.C  
and as for me I'm down on bendin knees  
thankin P-A-T for introducin you to me

[Chorus]

[Big Moe]

R.I.P to my G's, that didn't survive  
DJ Screw and P-A-T mayne  
well I've told you once, I've told you twice  
I'm a let them boys know S.U.C ain't nothin nice  
we throwed in the game and you know we maintain  
let you boys know ain't a damn thing changed  
Screw-U is on my mind, as I bump and I grind  
Moe-Yo I'm thinkin shine...P-A-T tops drop mayne  
and as long as I'm here we body rockin mayne  
we gon'shine from side to side, nation wide  
S.U.C on the mic we goin live-M-O-E and the H.A.W.K.  
on the mic you know we don't play, don't play

[Chorus]

[H.A.W.K.]

Here's a blast from the past, for my day one cats  
from Yellow Stone, to Dead End, to Aristocrat  
across the tracks this is a real throwback  
a grey tape, white strip...ink blue or black  
how bout 2-8-9-10-79, with that fool in the corner  
if ya tape says fool that means ya so old school  
you need to lock them tapes up with ya family jewels  
No Drank, Gallon 1, and Leanin On A Switch  
and that June 27th that's some classic shit  
write ya list and Screw gon'act bad for you  
Fat Pat might walk in and just smash for you  
I mash for two, it's Fat Pat and DJ Screw  
and the Screwed Up Click still tight like crew  
and Screw I thank you for what you did for me  
without you there would be no S.U.C.

[Chorus]
