## Verse 1

Nabila my dear I know this is clear straight out of the  
blue  
But if it's alright and if it's okay, I've got a bone to pick  
with you  
I may not know you, and you may not know me too  
But...

## Chorus

Nabila - you aint no cinderella to Him.  
I'm so sorry to start this party again  
I'm not your friend, and neither is He  
A glass slipper for a queen  
Wait until the whole world's seen; Nabila

## Verse 2

Nabila cries and Nabila lies and she hangs her head in  
shame  
We know you hunny you married for money, but He's  
the one to blame  
You took a Soldiers name, and laid down to give me  
fame; Nabila

## Chorus 1x

## Bridge

You're secret aint foolin no one  
And \*\*\* they safe with me,  
I told the whole world baby  
That you and Joey's love's, a felony
