Intro: (spoken)

Say, I've been in this motherfucker all this time  
and ain't had nobody down there  
playing in this pussy  
God damn!

[Verse 1]

We're the new rap queens in the city  
We kick so much ass our damn shoes are shitty  
Weak ass niggaz talk that same old shit  
About they want a fly bitch to suck they dick  
Now eat this pussy is what you can do  
Suck it and suck it till your ass turn blue  
The pussy is hot and good to G O  
Hold on for a second while I lay on the floor  
When I wrap this pussy around your goddam chin  
Go down an inch and meet a very close friend  
Her name is La La aka vagina  
So introduce yourself but if you need a little help  
I'm a take your head and lead you there  
Let your tongue part the hair  
It's gonna feel so good, and maybe even mushy  
So come on down and eat my pussy

Chorus (sung):

Pussy, pussy, yeah  
Know you want to eat my pussy  
(4X)

[Verse 2]

Nice clean air coming from your throat  
Now blow on my pussy until I float  
And if I ain't floating, keep on blowing  
I'll be sure to let you know which way I'm going  
Pussy ain't nothing but skin on a bone  
Fuck it, suck it, or leave it alone  
I'm a lay right here on my back  
While you stick your tongue in the center of my crack  
Now make like my pussy is a fucking horn  
And blow on that sucker 'till the break of dawn  
When I chose you I made a hell of a pick

Boy, you eat pussy like a professional trick  
I'm sure having fun with your goddam tongue  
It's so fine, my pussy is tickling my lungs  
Suck it like a roll, but not on a Tootsie  
But come on down, and eat my pussy

Chorus:  
(4X)

Interlude:  
[Baby Girl]  
Is Eazy-E gonna eat your pussy or what?  
[Cherries]  
Think he didn't?  
[Baby Girl]  
That's OK 'cause I got my pussy eaten real good last  
night  
[Cherries]  
Wait a minute, wait a minute  
y'all want to know who I want to eat my pussy?  
[Baby Girl]  
Who?  
[Cherries]  
Combo!  
[Baby Girl]  
Oh, cucumber dick motherfucker!  
[Cherries]  
Wooooo!  
[Baby Girl]  
(???)

[Verse 3]  
Suck it, lick it and taste it  
Fried, boiled or even basted  
Keep licking and sucking and sucking and licking  
Eating my pussy like it's Kentucky Fried Chicken  
You say you don't eat pussy, you a goddam liar  
Nigga, you was born eating at the wire  
Give me a quick slick lick on top of this clit  
'Cause I don't want to see that dick  
Pull it out just a little bit  
Let your tongue and lips work this clit  
'Cause quiet as kept, you ain't through yet  
Lick around my asshole, that makes me wet  
'Cause no one knows where the nose goes  
Yeah, I like it right there, it's curling my toes  
Quit on the dick, it's for a real wussy  
So come on down, and eat my pussy

Chorus:  
(8X)

(Sounds of man performing cunnilingus)
