[Verse 1]

Well I'm a bad hoe in my own little world  
I walk around the streets wearing diamonds and pearls  
When I walk onto the set don't you know  
I'd swear it's a amateur fashion show  
Niggaz on the wall trying to look bad  
Trying to look like a goddam magazine ad  
Standing all around trying to have that look  
When the motherfucker look like a goddam crook  
He asked me to dance, but I said no  
Don't want to get no activator on my new clothes  
This goddam gear came straight from Vogue  
He said, I'll buy you Gucci this and buy you Lloyd's that  
Baby, don't you know, I'm slinging that crack?  
I said, because you're selling drugs, do you think that  
make you bigger?  
You still ain't nothing but a trick ass nigga  
Motherfucker, get a grip, get off my tip

[Chorus]

Because (I said) a trick is a trick  
Bitch, what you say?  
(3X)  
Bitch, suck my dick!

Because (I said) a trick is a trick  
Bitch, what you say?  
(3X)  
Bitch, suck this dick!

[Verse 2]

I'm exotic and erotic, a hoe with an attitude  
Most of you tricks think I'm really really rude  
Stand Sweet Georgia Brown, I've been thinking  
A place where tricks do a lot of drinking  
When I went into the Brown, I went into the lobby  
Tricks were sitting around like it's some kind of hobby  
My pussy's on the rise, fresh on hair  
Trick motherfuckers just stop and stare  
You offer me money, cash and gold  
I tell your trick ass, that game is old

You're all over me like mud on a hog  
Most of these tricks look just like dogs  
The clothes and the hairdos that they wear  
Would give Freddy Kruger a straight up scare  
She gave you a chance and let you suck her  
Played you like a pimp, and still couldn't fuck her

[Chorus]

[Interlude]

Bitch, you ain't nothing but a trick  
You playing that front role with an attitude  
You know, you ain't shit  
But a little trick yourself

[Verse 3]

I'm a Casanova villain over straight up cutie  
A hoe with an attitude doing my duty  
Telling you tricks just where you're at  
You know you got jinx so get the hang out your back  
So don't try to front, get mean or rude  
'Cause you're fucking with a hoe with an attitude  
Sending me a rose, I'll send the shit back  
Trick ass nigga, I'll charge you tax  
Meaning of trick is easy to define  
Nigga paying cash to get the pussy of mine  
'Cause I'm not lacking in the back  
And as a matter of fact, I'm always packing  
Mac 10 is I begin, treat a trick like a son  
Smoking one who take the pussy and run  
So don't ever let a nigga talk that shit  
'Cause nine times out of ten, he ain't nothing but a trick
