Can't tell you what's coming next
I don't know for sure
It could be good, and it could be bad
I don't know for sure
I guess that I'll continue on from day to day
The only way to answer that
To answer that would be to be that way

I wanted this, and I wanted that
I don't know for sure
And don't ask because I don't know
I don't know for sure
I never get confused 'cause I don't really know
So I'm happy and so what
So what means that I don't know

It's too simple to explain
I don't know for sure
And words are never proper words
I don't know for sure
What is simple, what is hard
Is harder to discern
These feelings that are feeling
Like the feelings that we learn
