Love of my life  
Look deep in my eyes  
There you will find what you need  
Give me your life  
Lust and the lies  
The past you're afraid I might see  
You've been running away from me

You're my beloved  
Lover I'm yours  
Death shall not part us  
It's you I died for  
For better or worse  
Forever we'll be  
Our Love it unites us  
It binds you to me  
It's a mystery

Love of my life  
Look deep in my eyes  
There you will find what you need  
I'm the giver of life  
I'll clothe you in whine  
My immaculate bride you will be  
Oh come running home to me

You're my beloved  
Lover I'm yours  
Death shall not part us

It's you I died for  
For better or worse  
Forever we'll be  
Our Love it unites us  
It binds you to me

Well you've been a mistress, my wife  
Chasing lovers it won't satisfy  
Won't you let me make you my bride  
You will drink of my lips  
And you'll taste new life

Cause you're my beloved  
Lover I'm yours  
Death shall not part us  
It's you I died for  
For better or worse  
Forever we'll be  
Our Love it unites us  
And it binds you to me

You're my beloved  
Forever we'll be  
Our love it unites us  
And it binds you to me  
It's a mystery  
It's a mystery
