Yeah, I feel You fallin'
Like the rain against my skin
And I hear You calling
Your voice like thunder in my head

But now I am stallin'
'Cuz I'm afraid to let you in
Yeah, come break me down with Your mercy
Come break me down again

I'm Yours tonight
I'm Yours, You can break me down
Break through these walls I hide behind

I'm Yours tonight
Come and break me down, won't You break me?
Won't You break me down? I'm breaking me down

I feel it inside me
I feel You underneath my skin
These walls could not hide me
They could not keep You from coming in

So now here You find me
Right back to where I began
Oh, come break me down with Your mercy
Come break me down again

I'm Yours tonight
I'm Yours, You can break me down
Break through these walls I hide behind

I'm Yours tonight
Come and break me down, won't You break me down?
Break me down, oh oh, come and break me down

'Cuz I need your strength to feel this weak
I need your touch to fill my need
I need your strong hands to carry me
Take me, break me, set me free

'Cuz I need your strength to feel this weak

I need your touch to fill my need
I need your strong hands to carry me
Take me, bring me to my knees

I'm Yours tonight
I'm Yours, You can break me down
Break through these walls I hide behind

I'm Yours tonight
Come and break me down
Come and break me down
Come and break me down
Yeah, won't You break me down?
