Why are you striving these days?
Why are you trying to earn grace?
Why are you crying?
Let me lift up your face, just don't turn away

Why are you looking for love?
Why are you still searching as if I'm not enough?
To where will you go child?
Tell me where will you run, to where will you run?

'Cos I'll be by your side wherever you fall
In the dead of night whenever you call
And please don't fight these hands that are holding
you
My hands are holding you

Look at these hands at my side
They swallowed the grave on that night
When I drank the world's sin
So I could carry you in and give you life
I wanna give you life

And I'll be by your side wherever you fall
In the dead of night whenever you call

And please don't fight these hands that are holding
you
My hands are holding you

Here at my side wherever you fall
In the dead of night whenever you call
And please don't fight these hands that are holding
you
My hands are holding you

'Cause I, I love you, I want you to know
That I, yeah I love you, I'll never let you go
No, no

And I'll be by your side wherever you fall
In the dead of night whenever you call
And please don't fight these hands that are holding

you
My hands are holding you

Here at my side wherever you fall
In the dead of night whenever you call
And please don't fight these hands that are holding
you
My hands are holding you

Here at my side
My hands are holding you
