At first I am afraid but not because of fear
But the Holy of Holies is drawing me near
Your voice like thunder shakes the ground I'm on

So hide my face in the shadow of Your wings, oh Lord
Hide my sin from the beauty here before Your throne,
Your throne

Hallelujah for the blood of the Lamb that was slain
Hallelujah for the blood of the Lamb that was slain
And so we enter in to see Your face, yeah
Enter in to see Your face, oh God

Well, I'm falling to my knees, I feel the earth beneath
With the weight of my sin and this crushing unbelief
Could You really love me with all that I've done, oh
Lord?

So hide my face in the shadow of Your wings, oh Lord
Hide my sin from the beauty here before Your throne
Hide my face in the shadow of Your wings, oh Lord
Hide my sin from the beauty here before Your throne

Hallelujah for the blood of the Lamb that was slain
Hallelujah for the blood of the Lamb that was slain
And so we enter in to see Your face, yeah
Enter in to see Your face, oh God, oh God

We sing Lord
Hallelujah for the blood of the Lamb that was slain
Hallelujah for the blood of the Lamb that was slain
And so we enter in to see Your face, yeah
Enter in to see Your face, oh God

You spread Your hands and made a refuge
For the weak and blessed the weary, bruised and
broken
Took our sin inside Your wounds we hide away
Inside Your wounds we hide

You spread Your hands and made a refuge
For the weak and blessed, the weary, bruised and

broken

Took our sin inside Your wounds we hide away
Inside Your wounds we hide

Hallelujah for the blood of the Lamb that was slain
Hallelujah for the blood of the Lamb that was slain
And so we enter in to see Your face, yeah
Enter in to see Your face, oh God

We sing Lord
Hallelujah for the blood of the Lamb that was slain
Hallelujah for the blood of the Lamb that was slain
And so we enter in to see Your face, yeah
Enter in to see Your face, oh God
