How long must I pray, must I pray to You  
How long must I wait, must I wait for You  
How long 'till I see Your face  
See You shining through

I'm on my knees  
Begging You to notice me  
I'm on my knees  
Father, will You turn to me, yeah?

One tear in the dropping rain  
One voice in a sea of pain  
Could the Maker of the stars  
Hear the sound of my breaking heart?

One life is all I am  
Right now I can barely stand  
If You're everything You say You are  
Would You come close and hold my heart?

I've been so afraid, afraid to close my eyes  
So much can slip away before I say goodbye  
But if there's no other way  
I'm done asking why

'Cause I'm on my knees  
Begging You to turn to me  
I'm on my knees

Father, will You run to me, yeah?

One tear in the dropping rain  
One voice in a sea of pain  
Could the Maker of the stars  
Hear the sound of my breaking heart?

One life is all I am  
Right now I can barely stand  
If You're everything You say You are  
Would You come close and hold my heart?

So many questions without answers

Your promises remain  
I can't see but I'll take my chances  
To hear You call my name  
To hear You call my name

One tear in the dropping rain  
One voice in a sea of pain  
Could the Maker of the stars  
Hear the sound of my breaking heart?

One life is all I am  
Right now I can barely stand  
If You're everything You say You are  
Would You come close and hold my heart?

Hold my heart  
Could You hold my heart?  
Hold my heart
