Love, I have waited for you  
And love, I was wounded for you  
Won't you look into my eyes  
Through the pain and through your pride  
And find I am true?

You're the one I can't deny  
And I'll never leave your side  
I gave my life for you  
So what are you waiting for?

Well, on and on we go  
Come love, take my hand  
On and on we go  
Time and time again

On and on we go  
Back to where this all began  
Come love, take my hand

Life, is waiting for you  
And life, I have given to you  
Well, tell me, what else can I do?  
What more have I left to prove  
That I am what you need?

Still I will hold onto your heart  
Through the chaos and the dark  
When your eyes fail to see  
So what are you waiting for?

On and on we go  
Well, come love, take my hand  
On and on we go  
As you runaway again  
On and on we go  
Back to where this all began

Well, broken, I was for you  
Broken, I'm still for you  
My broken heart breaks for you  
Broken, I'm over you

On and on we go  
On and on we go  
On and on we go  
Well, come love, take my hand

On and on we go  
Time and time again  
On and on we go  
Back to where this all began

Well, come love, take my hand  
Well, come love, take my hand  
Come away, my love
