Before the sun has touched the sky
Colors bursting from Your eyes
Before the flood of the morning light

Before the earth has felt Your heat
Before I stand up to my feet
Before I begin to feel this weak

Satisfy me Lord, oh, oh
Satisfy me Lord, oh, oh
I'm begging You to help me see
You're all I want, You're all I need
Oh, satisfy me Lord

When the day is closing in
Like the stars in the night I am falling
Into the pull of the earth and it's affection

In me, oh lord can you create
A pure heart 'cuz I'm afraid
That I just might run back to the things I hate?

Satisfy me Lord, oh, oh
Satisfy me Lord, oh, oh
Yeah, I'm begging You to help me see
You're all I want, You're all I need
Oh, satisfy me Lord

You're beautiful, You're beautiful
You're more than all this world can give
You're beautiful, You're beautiful
You're love is all I need to live

You're beautiful, You're beautiful
You're more than all this world can give
You're beautiful, more beautiful
You're love is all I need to live

Satisfy me Lord, oh, oh
Satisfy me Lord, oh, oh
Yeah, I'm begging You to help me see
You're all I want, You're all I need

Oh, satisfy me Lord

Satisfy me Lord, oh, oh

Satisfy me Lord, oh, oh

Yeah, I'm begging You to help me see

You're all I want, You're all I need

Oh, satisfy me Lord

Oh, oh, oh, oh

Oh, oh, oh
