### VERSE 1:

You fought  
but you were just too weak  
so you lost  
all the things you try to keep  
now you're on your knees, you're on your knees

But wait,  
everything can change,  
in a moments time you don't have to be afraid,  
cause fear is just a lie  
open up your eyes

### CHORUS:

And He'll break  
open the skies to save  
those who cry out his name  
throwing the wind and waves at bay  
He's strong enough to save you

### VERSE 2:

Look  
now is not too late  
lift up your head  
let the rain fall on your face

you're not far from grace, your not to far from grace

### CHORUS:

And he'll break  
open the skies to save  
those who cry out his name  
throwing the wind and waves at bay  
He's strong enough to save you  
(Repeat)

### BRIDGE:

I know the weight of this world can take you down like  
gravity and I know the current of yourself can take you  
out, out to sea but hold on, hold on

CHORUS:

And he'll break  
open the stars to save  
those who cry out his name  
throwing the wind and waves at bay  
He's strong enough to save you
