Magic people, voodoo people. The voodoo, who do,  
what you  
don't dare do people. Voodoo!  
The voodoo, who do, what you don't dare do people.  
The voodoo, who do, what you don't dare do people.  
The voodoo! The voodoo, who do, what you don't dare  
do people.  
The voodoo, who do, what you don't dare do people.  
Magic people, magic people, voodoo people, magic  
people.  
Magic people, magic people, voodoo people, magic  
people.  
Magic people, magic people, voodoo people, magic  
people.  
Magic people, magic people, voodoo people, voodoo!
