When you move up close to me and run your fingers
through my hair

I feel like when you're positive, I'm more like Hercules
unchained

Don't ever try to sleep with me, I might get very nasty

As for beating people up for me, for someone's liable
to get paid

Hunt's in the night, for that you got a love allergy

Hercules unchained

So you wear a part of me, I feel as though you might be
watching

Every psycho fool I'm not sure, ooh you're driving me
insane

Your eyes are black, your hair is smooth, but I can't
care enough for you

Your love is like a sewer main, I wonder if you'll die and
we'll get framed

Now easy go, cos that you got a love allergy

Hercules unchained

Well you tell me that you love me then you kiss me and
you hug me

Then you kick me where it hurts, you know I think this
situation's strained

You tell me I'm your Romeo, you're power-plus and
man-of-moment

Guess we'd better move the scene to Superman and

Lois Lane

I'm easy go, cos that you got a love allergy

Hercules unchained
