I see the valleys

I see the streams

I see the mountains and what's in between

I hear thunder fall from the sky

I see a world

Lost in your eyes

In my dreams

I see you smile

I feel the sun I want to stay for a while

I hear music just makes me cry

I see a world

Lost in your eyes

A one horse town

A dirt road

Way in the desert where the cactus' grow

I hear you calling me mile after mile

I see a world

Lost in your eyes
