Van Morrison

-----

You lay by my side in the still of the night  
Let morning bring forth, all that's wondrous, wondrous  
to light  
You could have made it, made it more plain  
When I hear that, hear that soft refrain  
And I hear you gently sigh

Chorus:

I wanna take you where flamingoes fly  
(Flamingoes fly)  
Way over yonder in the clear blue sky,  
That's where flamingoes fly

As we lie in the dark and hear the sweet song of the  
nightingale  
And we listen for the lark, and I wanna tell you babe,  
tell you a  
tale  
With the soft wind blowin', blowin' outside  
Hey I wanna take that moonlight ride  
And I hear you gently sigh, babe

[Chorus]

And I'm silently waiting  
For that morning light to shine  
And I'm looking at you, lookin at me, and I'm lookin' at  
you  
And I'm anticipating with each and every sign  
Yes, I'm lookin' at you, lookin' at me,  
Lookin' at you, lookin' at me, lookin' back at you

And I'm findin' that road  
That road that will take me, take me back home to you  
baby  
And I'll carry the load where the deer and angels roam  
Where happiness touches, touches the now  
I don't where it came from, I don't how, and I,

And I hear you gently sigh, babe

[Chorus x 2]
