Chorus:

Today I started loving you again

I'm right back where I've really always been

I got over you just long enough to let my heartache  
mend

And then today I started loving you again

What a fool I was to think I could get by

With only these few million tears I've cried

I guess I should have known the worst was yet to come

And the crying time for me had just begun

Repeat Chorus Twice

Today I started loving you again

Today I started loving you

Today I started loving you again
