Don't call me up - Don't call me up  
Don't call me up when you're alone  
Don't call me up - Don't call me up  
Don't call me on the telephone

I am the Captain,  
But you just don't give a damn about my fantasy  
You dial my number,  
When I'm dreaming' of the places that I like to be  
I have been all over in the world  
From east to west - I've seen those smiling' Geisha girls  
A place beyond the boundaries of Hell -  
Mansions you've never seen or smelled

Don't call me up...  
Don't call me up - Don't call me up  
Don't call me up when you're alone  
Don't call me up...  
Don't call me up - Don't call me up  
Don't call me up...  
Don't call me on the telephone

I am the Captain,  
I'll remind you of the fact I don't need no company  
I don't want to buy ya  
To release me from my daydream, and this fantasy  
I have been upon the 7 seas  
I've seen the world and all it's treasures  
Let me introduce you to the members of the band...  
Oh, I forgot...they're sitting dry - on land.

Don't call me up...  
Don't call me up - Don't call me up  
(Yeah...yeah)  
Don't you call me up  
Don't call me up when you're alone  
I don't want you to call me up...  
(Yeah...yeah)  
Don't you call me up  
Don't call me up - Don't call me up  
Hey...

Don't call me on the telephone

I have been all over in the world  
From east to west - I've seen, I've seen those smiling'  
Geisha girls  
A place beyond the boundaries of Hell -  
Mansions you've never seen or smelled  
So don't call me up

Don't call me up - Don't call me up  
NO! He's...I'm...no I'm not home...  
Just leave me alone...  
Don't call me up when you're alone  
Please, don't call here again...  
Don't call me up - Don't call me up  
No, no, I'm not the father of your baby...no.  
Don't call me on the telephone  
OH! Don't call me up.  
Don't call me up - Don't call me up  
Yeah, yeah  
Don't you call me up  
Don't call me up when you're alone  
Baby, hey baby, hey baby - don't call  
Don't call me up - Don't call me up  
Yeah, yeah - don't you call me up...  
Don't call me on the telephone  
Don't call me up - Don't call me up  
Don't call me up when you're alone  
Don't call me up - Don't call me up  
Don't call me on the telephone...  
Don't call me up
