Dig it

Dress up to your thigh you wear it very high  
You walk by in a pig's eye  
I'm a guy so I sigh  
But you ain't shy  
Besta besta best of all, you're bi bi bi

Flame fame flame fame flame fame flame  
Supermodel sandwich can I join your game?  
Flame fame flame fame flame fame flame  
Supermodel sandwich w/cheese

I think I'm in love  
I think I want to fall in love with you  
'Cause I'm an idiot  
One two three anatomy your academy will make a cad  
of me

Flame fame flame fame flame fame flame  
Supermodel sandwich can I join your game?  
Flame fame flame fame flame fame flame  
Supermodel sandwich w/cheese (a funky sandwich  
vibe)

Well

Here we go, here we go  
Supermodel sandwich w/cheese  
Can I have some of that cheese please  
Black love flavour doing us all a favour

Well

Flame fame flame fame flame fame flame  
Supermodel sandwich can I join your game?  
Flame fame flame fame flame fame flame  
Supermodel sandwich w/cheese (very superficial)

Black love slicing my cheese  
On your knees if you please

Black love flavour doing us all a favour

Turned on by the way you move  
You're the power I'm the fuse  
Turned on by the spunky cool  
'Cause you're sex sexual

Turned on by the way you grind  
The funky move with the jealous eyes  
Turned on 'cause I know you're mine  
And you're sex sexual  
But you're very superficial  
You're very superficial
