"Going Down"

Banished forever to Hell
Today have I been expelled
From high school heaven
Elevator going down
Going down
This is my doom, my humiliation
October, not June
And it's summer vacation
Such a disgrace
How can i face the nation?
Why should this pain
Bring me such strange elation?
Emancipation proclamation
Oh Dr. Lincoln
My head needs shrinkin'
Lu lu lu lu lu lu Lucifer and me
Doomed from here
To e-ter-ni-ty!
Everybody going down down down
Going down
Forgive me if I don't cry

It's like the Fourth of July

Thank God that angels can fly

Going down down down
