Follow the gulls

Where is the something

Where is the someone

That tells me why I live and die

Where do I go

Follow the children

Where do I go

Follow their smiles

Is there an answer

In their sweet faces

That tells me why I live and die

Follow the wind song

Follow the thunder

Follow the neon in young lovers' eyes

Down to the gutter

Up to the glitter

Into the city

Where the truth lies

Where do I go

Follow my heartbeat

Where do I go

Follow my hand

Where will they lead me

And will I ever

Discover why I live and die

Why do I live (beads, flowers)

Why do I die (freedom, happiness)

Tell my why (beads, flowers)

Tell me where (freedom, happiness)

Tell my why (beads, flowers)

Tell me why (freedom!)
