"The Bed"

Oh the bed
Oooh the bed
Ahhh the bed
Oh the bed
Mmmm the bed
I love the bed

You can lie in bed
You can lay in bed
You can die in bed
You can pray in bed
You can live in bed
You can laugh in bed
You can give your heart
Or break your heart in half in bed

You can tease in bed
You can please in bed
You can squeeze in bed
You can freeze in bed
You can sneeze in bed
Catch the fleas in bed
All of these
Plus eat crackers and cheese in bed

Oh the bed is a thing
Of feather and spring
Of wire and wood
Invention so good

Oh the bed comes complete
With pillow and sheet
With blanket electric
And breath antiseptic

Let there be sheets
Let there be beds
Foam rubber pillows
Under our heads

Let there be sighs

Filling the room
Scanty pajamas
By Fruit of the Loom

You can eat in bed
You can beat in bed
Be in heat in bed
Have a treat in bed
You can rock in bed
You can roll in bed
Find your cock in bed
Lose your soul in bed

You can lose in bed
You can win in bed
But never never never never
Never never never never
Never never never
Never can you sin in bed!
