We starve-look
At one another
Short of breath
Walking proudly in our winter coats
Wearing smells from laboratories
Facing a dying nation
Of moving paper fantasy
Listening for the new told lies
With supreme visions of lonely tunes

Somewhere
Inside something there is a rush of
Greatness
Who knows what stands in front of
Our lives
I fashion my future on films in space
Silence
Tells me secretly
Everything
Everything

Manchester England England
Manchester England England
Eyes look your last
Across the Atlantic Sea
Arms take your last
embrace
And I'm a genius genius
And lips oh you the
doors of breath
I believe in God
Seal with a righteous kiss
And I believe that God believes in Claude
Seal with a righteous kiss
That's me, that's me, that's me
The rest is silence
The rest is silence
The rest is silence

Singing
Our space songs on a spider web sitar

Life is around you and in you
Answer for Timothy Leary, dearie

Let the sunshine
Let the sunshine in
The sunshine in
Let the sunshine
Let the sunshine in
The sunshine in
Let the sunshine
Let the sunshine in
The sun shine in...
