She's got a hole in her stockings  
But I don't mind, I don't mind  
And she's got a crazy kinda hairdo  
That I like, that I like a lot

If you don't know by now  
I'm in love with Everything She Does  
If you don't know by now  
I'm in love with Everything She Does

She drives a Comet for a mobile  
She likes to drive and I don't mind  
Cuz she's got a certain way of looking real  
What I like, I like her a lot

If you don't know by now  
I'm in love with Everything She Does  
If you don't know by now  
I'm in love with Everything She Does

I'm in love, L-O-V-E love  
I'm in love, L-O-V-E love  
Whew, whew

She's got a hundred dollar wardrobe  
That she don't like, that I like a lot  
Cuz she's got a certain way of wearing those clothes  
That I like, I like them a lot

If you don't know by now  
I'm in love with Everything She Does  
If you don't know by now  
I'm in love with Everything She Does  
I'm in love and it's wonderful  
It's a wonderful thing, this feeling  
I'm in love and it's wonderful  
It's a wonderful thing, this feeling  
L-O-V-E love  
Everything She Does  
L-O-V-E love  
Everything She Does
