I gave you the good life that's understood  
But while I am satisfied, you go and say it's no good  
C'mon reassure me, say that you care  
Ain't it a shame I'm just talkin' to the air  
Not to you, oh

Not Gonna Cry anymore over you  
Or lie awake at night thinking of you  
Not Gonna Cry anymore over you  
Or listen to your key tryin' at my door

You witnessed on the wedding stand till death do us  
part  
But now it's a requiem that goes and plays through  
your heart  
C'mon patronize me, say that you care  
Ain't it a shame I'm just talkin' to the air  
Not to you, oh

Not Gonna Cry anymore over you  
Or lie awake at night feelin' so blue  
Not Gonna Cry anymore over you  
Or listen to your key tryin' at my door  
I'm left with the pieces of your memory  
Whispering, Baby come back to me  
Baby come back to me  
Not Gonna Cry anymore over you, pretty girl  
Not Gonna Cry anymore over you  
Not Gonna Cry
