Thursday's child has far to go  
But there are things he needs to know  
Thursday's child is wondering why  
His apple has fallen from your eye

Why are some birds blue?  
What is the taste of rain?  
Why are some birds blue?  
And why am I not with you?

Thursday's child has love to give  
From a heart that's positive  
Thursday's child was born to sing  
Into your ear the sweetest things

Why are some birds blue?  
What is the taste of rain?  
Why are some birds blue?  
And why am I not with you?  
Dreamers begin by opening their mind  
And throwing out the doubt they find  
Happiness is the freedom to be  
Within your sensuality

Thursday's child has far to go  
And he still loves you so  
Thursday's child has only you  
And questionmarks to answer to

Why are some birds blue?  
What is the taste of rain?  
Why are some birds blue?  
And why am I not with you?
