[Chorus]

I don't know why y'all think Halloween only comes once
a year (Fuck Halloween!)

I don't know why y'all think Halloween only comes once
a year (Fuck Halloween!)

I don't know why y'all think Halloween only comes once
a year (Fuck Halloween!)

I don't know why y'all think Halloween only comes once
a year I'm always here

[Verse 1: Sol]

You bet your lives on whether Doctor still tries to piece
my head together

Cause I came I'm fuckin out my shit

Because Halloween comes everyday of the year for me

Too bad its only one for you G

Now the world invited put you all on twilight

Try to fight it end up on death valley nothings like it

Its just darkness every day's hallows eve

Its every time you go to sleep every time you breathe

Ain't no sun cause we're on the other side

Take a ride in Sol's mind beware a sun it makes you
blind

Only if you choose to flow on wicked trails

Everyday all day my birthday the 31st of Hallows day

So that means I'm born 365 days a year

Except for Leap Year thats when I disappear

You can't find me you won't find me

Ask my doctor for prescribed medication and they
declined me

[Chorus]

I don't know why y'all think Halloween only comes once
a year (Fuck Halloween!)

I don't know why y'all think Halloween only comes once
a year (Fuck Halloween!)

I don't know why y'all think Halloween only comes once
a year (Fuck Halloween!)

I don't know why y'all think Halloween only comes once
a year I'm always here

It occurred to me that I never celebrated Halloween before

[Verse 2: Skrapz]

Take a step into my home disregardin the smell rottin
Fuckin pumpkins on my window sill
No need for masks these days I've outgrown the
costume part of it
Ran out of ideas cause all the good ones be so hard to
get
Instead I just be Skrapz like year round
Halloween be my state of mind state of thought state
of sound
Look around if your down with Halfbreed then you'll
feel me
Keep me from the psycho ward cause all they'll do is
kill me
And fill me up with all these thoughts that I'm a lunatic
But me and Sol ain't new to this y'all bumpin it is provin
this
The wicked shit that caused your ears to contract
Because the Virus steady comes with the intend to
attack
I look back into the times when the season was the
cause
Now the cause is like an annual Hallow without a pause
I applaud the 31st and everyday that follows
Today is Halloween but I'll be trick or treating late
tomorrow

[Chorus]

I don't know why y'all think Halloween only comes once
a year (Fuck Halloween!)
I don't know why y'all think Halloween only comes once
a year (Fuck Halloween!)
I don't know why y'all think Halloween only comes once
a year (Fuck Halloween!)
I don't know why y'all think Halloween only comes once
a year I'm always here

Its Halloween, I guess everyone is entitled to one good
scare. I've had my share

[Verse 3: Sol]

The population they stay on me suckers strokin
Non believers tie you up and overdose on shit with
Ibuprofen
Cause you won't let your brain conceive
That Halloween is everyday for me so I'm a let you see
And teach you the words, sayin halloween occurs
Every day for the half silent stowaways

And for the other half speakin this theme
Tell them all to go to hell and fuck they halloween

[Chorus]

I don't know why y'all think Halloween only comes once
a year (Fuck Halloween!)
I don't know why y'all think Halloween only comes once
a year (Fuck Halloween!)
I don't know why y'all think Halloween only comes once
a year (Fuck Halloween!)
I don't know why y'all think Halloween only comes once
a year I'm always here

[Verse 4: Skrapz]

I hold now sorrow for the victims I spread
They should have came with all the rest of us now they
half dead
Waitin for the world to catch us creepin through they
screen
Since I came onto this earth everyday's been
Halloween
Like I'm livin in Haddonfield next to Judith Meyers
Detroit is like a battle field Devil's night fires
I been settin for a while cause it runs in my blood
I'm a product of the night and I bleeds no love

[Chorus]

I don't know why y'all think Halloween only comes once
a year (Fuck Halloween!)
I don't know why y'all think Halloween only comes once
a year (Fuck Halloween!)
I don't know why y'all think Halloween only comes once
a year (Fuck Halloween!)
I don't know why y'all think Halloween only comes once
a year I'm always here

Mother fuck your halloween
Fuck your halloween, fuck your halloween, fuck your
halloween
Fuck your halloween, fuck your halloween, fuck your
halloween
Fuck your halloween, fuck your halloween, fuck your
halloween
Hallow hallow hallow hallow
