[Verse 1: Sol]

Watch as the entire world turns to cannibalism  
Man Vs. Halfbreed indecisive decisions  
Visions of plague bodies punctured and forces no bell  
What I speak of is worse than your living hell  
US Marshalls force is stalkin terrorists  
Dump your dead body in a ditch fuck it I'm a take the  
risk  
Cause Sol's the Virus spittin music and its easily  
translated  
Beats so fuckin remixed niggaz constipated  
The radio with no Halfbreed this plan has lied  
You collide with these rhymes and subscripts and ride  
The universe like a cruel killa I attack  
And all I have to do is sit back relax and watch  
Cause I'm unseen take kids like Goldstein  
And hit like I'm with it ding I'm out before Don King  
Can shake my hand I'm no man givin stands  
And screamin to the world I got problems in my head

[Chorus]

Scream SERIAL KILLA  
S-S-S-S-SERIAL KILLA (4X)

[Verse 2: Skrapz]

I got ya bitch you hit I slice your white ones  
Tied up with cables all around your throat until it  
strangles  
And you can't breath wipin blood up with your shirt  
sleeve  
Body steady stinkin like a blunt with dirt weed  
I'm on the prowl draggin hoes by they hair down stairs  
Chain the ugly asses to the wall and I'm there  
Anyone of them bitches take one then I kill her  
Right now I'm killin' time numbin they bodies with no  
feelings  
I need some victims so bring your ass to the place  
Dead bodies out of state cause feds investigate  
My surrounding on a daily but I hide in a well  
My correction on the D-L more underground than hell  
Spreadin' the Virus that you killin yourself with

Serial killaz wanna test and you'll get dealt with  
Bitch recognize Halfbreed's an epidemic  
And we ain't stoppin we never gonna regret it

[Chorus]

Scream SERIAL KILLA  
S-S-S-S-SERIAL KILLA (4X)

[Verse 3: Skrapz]

Strikin in odd numbers one at a time to keep it even  
My first name ain't Steven and cops ain't Morgan  
Freeman  
I leaves no evidence to anything that I committed  
Nobody ever asked but no Sol did not admit it  
Schizophrenic got murderous genes all in my  
bloodstream  
Bodies intoxicating I'm feeding on my back rings  
I psychotherapist will lose his mind if he heard  
All the shit that I been through everything that I deserve  
I'm a basket case nail me up to a cross  
Put a virus in a needle and get lost  
I'm telepathic murdering minds when I meet ya  
Dump your carcass on the church steps for the  
preacher  
Or I eat ya like maggots I'm a fuckin scavenger  
Exterminating evidence I ain't no fuckin amateur  
I'm hidden the mother fuckin unforgiven  
I'm chillin where you livin and promotin all sinnin bitch

[Chorus]

Scream SERIAL KILLA  
S-S-S-S-SERIAL KILLA (4X)

[Verse 4: Sol]

The earths atmosphere up to past a million  
Suffer like a civilian fuck women and children  
Cause they go first can't let em see the deadly reigns  
that I bring upon man  
Life indy lyrics spread across the land  
Bury all the bodies in the Red Sea  
Flee if you dare in the darkness I still see  
Leave the mind paraplegic then I freeze it  
Wait till the earth's gone then release it  
Lease it back so you exist in the mind  
Of mental shit designed to blind don't resist  
Its Futile Serial killas a style  
Universal we now hold you captive so disembowel

[Chorus]

Scream SERIAL KILLA  
S-S-S-S-SERIAL KILLA (6X)
