They saved Hitler's cock, They hid it under a rock.  
I discovered it, last night. I couldn't even, believe my  
eyes.

If Hitler's cock could start to talk, it would say: To kill  
today.  
If Hitler's cock could choose it's mate, it would ask, for  
Sharon Tate!

They saved Hitler's cock. They stuffed it in Mengele's  
sock.  
They saved Hitler's cock, and now it wants to talk.  
Now it's starting to get hard, I found it in my backyard.  
Every night it kills a dog, and now it wants, some night  
and fog  
Hitler's cock is on the move, and now I'm scared of  
what it's gonna do!
