Ooh, sweetie, ooh

Crazy bout the way you dress
Ooh, baby
Crazy bout the way you smile

You're A-number one
The best, ooh, honey
You make my life worthwhile

(CHORUS)
Crazy with love
Well, I'm crazy with love
Like the fish who love the sea
Like the bird who love the tree
Just got to have you for me

Many times I tell myself, ooh, shucks
You're just too good to be true
I pinch myself but it ain't no dream
Well, baby, it's really you

(CHORUS)

You set my heart a-spinning
Like a whirly twirly top
Well, it's only the beginning
And I pray that it never will stop

Well, I'm wild about the
Way you kiss, woo, baby
Tingle me to my toes
Together we just can't miss, no, baby
The feeling just grows and grows

(CHORUS)

Ooh, sweetie, ooh

You set my heart a-spinning
Like a whirly twirly top
Well, it's only the beginning

And I pray that it never will stop

Well, baby, I'm wild about
The way you kiss, woo, baby
Tingle me to my toes
Together we just can't miss, no, baby
The feeling just grows and grows

(CHORUS) fades
