HEAVENLY LOVER

Teresa Brewer

Heavenly lover, heavenly lover

Somebody sent you from heaven

And meant you for no one but me

Heavenly lover, heavenly lover

All of your kisses are telling me

This is the way it should be

When I caress you oh, oh, oh, oh

How you excite me oh, oh, oh, oh

Holding you tightly, holding you tight

Sets me on fire

Just to impress you oh, oh, oh, oh

With my devotion oh, oh, oh, oh

I'll swim an ocean, ocean of love if you desire

Here we are under a star getting the feel of love

Heart to heart never apart

Head over heels in love

Now that I've found you oh, oh, oh, oh

I'll never lose you oh, oh, oh, oh

Heavenly lover, heavenly lover

Somebody sent you from heaven

And meant you for no one but me

Heavenly lover, heavenly lover

All of your kisses are telling me

This is the way it should be

When I can be

Al chiar di luna porto fortuna

E questa sera io voglio portare fortuna anche-a te

Al chiar di luna porto fortuna

E questa sera io voglio portare fortuna anche-a te

In riva al mare oh, oh, oh, oh

Fatti trovare, oh, oh, oh, oh

Senza parlara, senza parlar ti bacero

La fra le stelle, oh, oh, oh, oh

l'orsa maggiore oh, oh, oh, oh

Dice che-e bello oh, oh, oh, oh fare all'amor

Con un si ti sembra ra tutto piu facile

E il mio amor 'insegnera che-e bello vivere

In riva al mare oh, oh, oh, oh

Fatti trovare, oh, oh, oh, oh

Al chiar di luna porto fortuna

E questa sera io voglio portare fortuna anche-a te
In riva al te
