Got along without you before I met you
Gonna get along without you now
Gonna find me somebody twice as cute
'Cause you didn't love me anyhow
You ran around with every girl in town
And you never cared if it got me down
Got along without you before I met you
Gonna get along without you now

Boom boom, boom boom, gonna get along without you
now
Boom boom, boom boom, gonna get along without you
now
Got along without you before I met you
Gonna get along without you now
Gonna find me somebody twice as cute
'Cause you didn't love me anyhow

I lost my money and I lost my pride
Didn't have much money but I really tried
Got along without you before I met you
Gonna get along without you now

Boom boom, boom boom, gonna get along without you
now
Boom boom, boom boom, gonna get along without you
now
Got along without you before I met you
Gonna get along without you now
Gonna find me somebody twice as cute
'Cause you didn't love me anyhow

It made you happy when you made me cry
Yet you broke my heart so I said goodbye
Got along without you before I met you
Gonna get along without you now

Boom boom, boom boom, gonna get along without you
now
Boom boom, boom boom, gonna get along without you
now

Gonna get along without you now, gonna get along
without you now
Gonna get along without you now, gonna get along
without you now
