Forever my darling our love will be true
Always and forever I'll love only you
just promise me darling your love in return
May this fire in my soul dear forever burn

My heart's at your command dear
To keep love and to hold
Making you happy is my desire dear
Keeping you is my goal

I'll forever love you
For the rest of my days
I'll never part from you
Or your loving ways
Just promise me darling your love in return
May this fire in my soul dear forever burn

My heart's at your command dear
To keep love and to hold
Making you happy is my desire dear
loving you is my goal

I'll forever love you
For the rest of my days
I'll never part from you
Or your loving ways
Just promise me darling your love in return
May this fire in my soul dear forever burn
