You'll never know I cried
When I found out you lied
For I've been hiding
All the teardrops in my heart

My eyes dare not reveal
The way I really feel
Because I know I'll pour
My heart out if I start

Though I'm pretending
That I don't care
To be with you, my darling
Is my prayer

But way down deep inside
I can't give up my pride
So I'll just keep on hiding
Teardrops in my heart

Though I'm pretending
That I don't care
To be with you, my darling
Is my prayer

But way down deep inside
I can't give up my pride
So I'll just keep on hiding
Teardrops in my heart
