Hula hoop, hula hoop  
Anyone can play from three  
To a hundred and ten

From L.A. to New York  
From Georgia to Duluth  
Everyone is playing with  
The hula hoop

Red ones and green ones  
Yellow, white, and blue  
Young and old, rich or poor  
Are spinning them too

Hula hoop, hula hoop  
Everyone is playing  
With the hula hoop

Look at them spin  
Trying to win  
Anyone can play from three  
To a hundred and ten

Oh, what fun to see them rock  
And to see them sway  
Trying to keep the hula hoop  
From slipping away

If you rock when  
You should sway  
It would fall to the ground  
Then again, once again  
Spin it round and round

Hula hoop, hula hoop  
Everyone is playing  
With the hula hoop

Look at them spin  
Trying to win  
Anyone can play from three  
To a hundred and ten

Moon and stars  
Have hula hoops  
Way up in the sky  
?  
Sailing on by

Tots and teens  
And in between  
Grandma and Grandpa too  
Family fun for everyone  
Spinning the hoop

Hula hoop, hula hoop  
Everyone is playing  
With the hula hoop

Look at them spin  
Trying to win  
Anyone can play from three  
To a hundred and ten

Hula hoop, Hula hoop  
Why don't you go  
And roll your hoop
