You're as sweet as the  
Red rose in June, dear  
I love you, adore you, I do  
Each night through love land  
We wander, sweetheart  
Telling love stories anew  
Out of a blue sky  
A dark cloud came rolling  
Breaking my heart in two  
Don't leave me alone  
For I love only you  
You're the one rose  
That's left in my heart  
Out of a blue sky  
A dark cloud came rolling  
Breaking my heart in two  
Please don't leave me alone  
For I love only you  
You're the one rose  
That's left in my heart
