Good Time

You know he's sleazy but he's ready to please you...
You he's no good...but you don't care...
how many times does he have to mistreat you?
to know you're going nowhere...
but you are ready...to get it on...
he knows you're ready...and then he's gone

...but it's hard...to watch you there passin' the time....
so long...'cause I know your just wastin' your time...

He just lookin' for a good time baby....
This much I know is true...
He just lookin' for a sweet fine lady....
...someone to do it to...
he just lookin' for a good time baby

Didn't mean you know harm...
Knew you were easy, but I liked your style, babe....

but it's hard...to watch you there wastin' your time...
so long...don't you know you're life is just passin' you
by....

He just lookin' for a good time baby...
This much I know is true...
He just lookin' for a hot time baby...
Then what you gonna do?
He just lookin' for a good time baby....
You know I want you too....
He just lookin' for a good time baby
but in the morning...he'll be through with you...

and it's hard...to watch you there wastin' your time...
So long...don't you know that I want you to be all mine?

He just lookin' for a good time baby....
This much I know is true....
He just lookin' for a hot time baby....
...Then what you gonna do?
He just loo
