Pissin' In The Parking Lot

It's been a shit day
So go away
Life is out of style....
It took a long time to lose my mind
Inside another's smile....

You let me breath beneath your dress...
What you don't say...you suggest
It was the start....of my emptiness...

It's been a shit night
Long drive...
I should have stayed in bed.....
She had a girls waist...
Kissed my face...
I almost banged my head....

She slammed my jeans against her hips....
Slipped me her soul through her lips....
She said...keep it with yours...if you wish.....

(chorus)
She's everything I've got....
Pissin' in the parking lot...
Right in our old spot....
Pissin' in the parking lot
...and maybe then I can leave this place behind.....

Then I woke and we smoked and she said "don't look
so all alone"
"Love is way to bold"...now I'm left to hold shells from a
broken
masquerade....
and pain....I know your name.....
and I don't know if I'll ever be the same.....
I know your name....

Then I dressed and I left....and I nearly drank myself to
death...

on the side of the road....
I shiver from the cold New England rain....and pain....
Can one really ever piss it all away?

(solo)
(chorus)
