Dirty Underwear

Can you keep a secret...can I trust you?
Or will I be hurt...shunned by you...
You seem like a friend...on who I can depend...
So many secrets to tell what I'm feeling...
I can't start the healing...if you turn away...

CHORUS:

My dirty underwear
Goes with the socks
Forget the past it's all been lost...
Time to do the wash
Bleach this world away
Lord won't you come wash it all away...
I'm gonna wash it all away...

Friends come and they go...but nobody knows...
A little concern...but it's never never shown...
You seem sincere but how can I tell if you are...
How can I love you if you turn away?

My dirty underwear
Goes with the socks
Forget the past it's all been lost...
Time to do the wash
Bleach this world away
Lord won't you come wash it all away...
I'm gonna wash it all away....

Can you feel my pain?
I will take my blame...
I dreamed we were running....running away...
With no clothes...With no clothes on our backs....

Dreamin'...yes...I feel your pain...
Yes...yes... I accept your blame...
I saw you standing there all alone...
Nobody's home....now you're not alone....

Will you listen if I want to tell you

I'm sorry for everything ...what I'm not sure of...
I'm cold and I'm callous from all of my trouble...
I know it will double...if you turn away.....

(chorus)
