Beautiful girl with a beautiful smile
Can't help but stare at ya baybeh.
Please don't pass by
Won't you stay for a while.
There's so much that I wanna say to you.

And when I'm lonely
And I'm by myself,
When I need a lil help
To make it through
All I need to see is
Your eyes, your eyes
Are more then beautiful baybeh.
Your eyes, your eyes,
Are a window to my soul.
Baybeh.

Tell me yr dreams, tell me yr fears.
Are you scared love wont last through the years, girl?
It's not what it seems, I've been there before.
There's so much that I wanna say to you.

And when you're lonely
And you're by yourself,
When you need a lil help
To make it through
Just remember what I saw in
Your eyes, your eyes
They're more then beautiful baybeh.
Your eyes, your eyes,
Are a window to my soul.
Your eyes, your eyes,
They are more than beautiful baybeh.
Your eyes, your eyes
Are a window to my soul.

Shoulder length hair, such a beautiful girl.
I can't helo but stare at ya baybeh.
Beautiful smile, wont ya stay for a while.
There's so much that I wanna say to you.

And when I'm lonely
And I'm by myself,
When I need a lil help
To make it through
All I need to see is
Your eyes, your eyes
Are more then beautiful baybeh.
Your eyes, your eyes
Are a window to my soul.
Your eyes, your eyes
They're more than beautiful baybeh.
Your eyes, your eyes
Are a window to my soul.
A window to my soul.

I see my hopes and my dreams
When I look in your eyes.
In your eyes.
In your eyes.
In your eyes.
In your eyes.
Your eyes...
