But Im the only man who knows how to keep you

All the, the places I will kiss you
Oh, baby, let me kiss you (Please let me kiss you) with
all my love (You

All the (Yeah), the places I will kiss you (All the places)
Oh, honey, let me kiss you (Let me, baby) with all my

Here I am, Im ready, baby
My desire is to please you, honey
Ill concentrate on you
Theres no other who can do what Ill do to you

Lights down, the mood is right
Come on over here and hold me tight
Your body will be turned on till midnight
The spots that make you wet and hot, baby, surrender

The expressions on your face lets me know
