[Aaron Hall]

When I had

You had

Where I Was

Thats where you were

By my side

That's where you stood

Can you feel me?

And den you wanna go out there and play me [check it out]

Are you crazy

yo biggie holla

[Notorious B.I.G.]

Now Biggie Smalls is not the type to fall in love wit em

Hit em, and forget em nigga, and handle my business

When I'm wit you, all you wanna do is lay around

and stay around, and get mad when I play around

Tuesday I saw you in the Z, but you still wanna get with me

Wednesday is the Benz day, that's what your friends say

So ya guess I'm slippin, cuz I ain't flippin

Baby, I'm Big Poppa ain't don't need to be trippin

[Aaron Hall] [Background singing]

You know that I care baby

Why you keep on stressin me

I'm walkin out the door baby

Is this how you want it to be

When you used to call

Chorus:

[I came on it to you]

When you were with me

[I gave it all to you]

Can nobody do it like me

[Fulfill your wildness]

Why ya tryin to play

[So why ya tryin to play me]

When the tables turn you'll see
I know how its gonna be
Your gonna beg to see me
Wondering how it used to be
When you used to call

Chorus

[Notorious B.I.G.]
All I do all day is drink Tanqueray
Thinkin of a way to put a smile on your face
It seems like it's a waste of time, it's why I wrote the
rhyme
I hear your jumpin in every car, except for mine
So I wine and dine you and rings on your fingers
And sex from another man in the bedroom lingers
You betta slow your roll baby
You aint got enuff dough to pay me
You know the plan number page me when you real
baby
Uh!

[Chorus]

You should relize
[Before its too late]
If you love me right
I'll still be here
[I'm here for you]
[Make no mistake]
I've had it before So Girl Why you tryin to play me
[Chorus x2]
