Sometimes I feel like an alien
Living in a world so far away
Sometimes I feel like I'm losing it
Walking like a zombie from the grave

Sometimes they take all I have to give
Trying to see the light that's shining through
Some days I can take this crazy world
When I'm trying to get to you

(Pre-Chorus)

I can try to be Superman
Stop a train with a single hand
I can climb to a mountain top
Fly the world like an astronaut

(Chorus)

We're only human after all
Sometimes we have to stand tall
We're only human after all
Sometimes we just have to fall

Sometimes I hear what I want to hear
Deafened by the voices in my head
Some nights I just fall down on my knees
Thinking that I'm better off dead

Sometimes I see what I want to see
Blinded from the truth in front of me
Some days I don't know what I'm gonna do
When I'm trying to get to you

(Pre-Chorus)

(Chorus)

Sometimes we need a helping hand
We can only do what we can
We're only human

You can try to be Superman
Stop a train with a single hand

You can climb to a mountain top
Fly the world like and astronaut

(Chorus)
