[Verse 3: Kanye West]

This is what y'all

All looking for to

This is more than historical

Anything that I say that is audible

Ought to blow, just like a chick givin' oral, yo

Lick the black, get the cream, like a Oreo

Hit the track, get the C.R.E.A.M., same story, yo

Trick that on Armani Emporium

It's more important, though

Yes sir

My aura is orchestral, but way fresher

Cause I simply throw a symphony

On a SMPTE, but I know

That niggas steal beats

So after I emcee

I empty

The M.P.

So I can stay out of reach

They used to say, "You'se a producer"

I'm glad I never listened to you losers, cause now, I'm

in
Shibuya, buyin' somethin that's, way too exclusive
Uh
Ra-ra-ra-ra-rappers are in danger
This floor is from a manger
But meaner than Lucifer
Yeah, and this is the new drug
I'm the new high, y'all want ya weed back?
Yell, "I still love H.E.R., Hanto E. Rap!" (E. Rap...)
E. Rap

Repeat Chorus

[Verbal] Alright
