[Chorus]

We the Teriya-Kings Kings Kings Kings Kings [x4]

[Kanye West]

Verbal asked me do I need a pen?

Not right now

Everything I write now

I don't even write down

I don't need her right now

But I'm so bad

Ask her can she hold my gonads before they go bad

Since I did a song with Teriyaki I been acting very cocky

Using every opportunity to shit on everybody

If you heard I'll be in Houston like Bobby

Puffing on a blunt until the "B" got me body

There fees in the party?

Chillin' in the lobbies

Anything you heard happened, yo it probably did

Full Force trying to find where the Party is

For the last time to kick it like Karate Kid

Man that line was way obvious

Way out of my jurisdiction of my high snob

On my job kill a nigga no prob type flow

Just seen a nigga get Rob like Whoa!

Oh, should have tucked your chain

Niggas ain't playing man, it ain't a fuckin' game

All that frontin' for the audience

Make 'em not exist no more, Yugoslavians

(Japanese)

[Chorus]

(Japanese)

[Chorus]

(Japanese)

[Big Sean]

Hit the stage see the floor all the seats obsolete

We gonna probably need more
And I don't walk around with an ID
Hit the club watch them line up like IV?
And hop up on that motherfuckin' carpet like HI-G?
I'm trying to get paid so I feel like a Cosby! Ching-Ching
Ooh yeah, Teriyaki Boyz, Big Sean we here
So make sure that camera's recording
I'm so important outfits imported
And your girl said "He's so ignorant"
So why the hell she can't ignore it
Dog, cause I'm everything you couldn't be
Everything you would be and everything I should be
